

Bonnet House Museum & Gardens Kicks Off its Cool Saturdays Summer Special on Saturday, July 7th

FORT LAUDERDALE, FL, June 13, 2018...Bonnet House Museum & Gardens kicks off its Cool Saturdays Summer Special on July 7th this season. Cool Saturdays take place the first Saturday of the month July through October. Visitors can explore the whimsical house where fish sculptures rise in the air, shells have their own museum and shady nature trails invite you to search for playful monkeys in the trees and a majestic swan in the fresh water lakes. Admission is \$10 for adults and free for children 12 and under from 9am to 4pm on these days.

Specific dates are: July 7, August 4, September 1 and October 6. Tour admission is always free for Bonnet House members. Visit BonnetHouse.org for updated information and additional summer events including a Historic Cruise Down the New River on July 21.

About Bonnet House Museum & Gardens: Listed on the National Register of Historic Places and accredited by the American Alliance of Museums, Bonnet House Museum & Gardens is a 35-acre, 1930s era estate located on Fort Lauderdale Beach. Bonnet House is open for public tours six days per week, year-round and offers an array of cultural and educational programs for schools, adults and families. Music students from nearby universities and opera companies gain experience through their performances in the estate's annual *Concerts Under the Stars*. The December holidays are celebrated with an annual week-long sparkling *Holiday Magic* festival of trees and décor. Art exhibits by regional artists round out the Museum's cultural programming. The Bonnet House membership program includes an annual admission pass, and the estate is also available for exclusive private rental for weddings, parties and special events. The mission of Bonnet House Museum & Gardens is to preserve this unique historic estate of Frederic and Evelyn Bartlett. Through enjoyable and enriching cultural experiences, the Museum connects today's community to the Bartletts' architectural, artistic and environmental legacy.
